For half a month or one direction of the journey, the corresponding price is divided by two. For individual trips on a higher tier or 1st class train, the difference is charged in full. For monthly or annual tickets, the difference between passenger and high-speed trains is charged according to this table and multiplied by the corresponding number of months.

2. Ticket prices for reservation, berth, bed and bike

- a) The price of the reservation ticket is 1.06 euros.

When booking a special compartment, you pay for as many tickets at a regular or reduced price for the appropriate class, route and type of train as there are seats in the compartment, as well as reservation tickets for that number of seats.

- b) The price of a bed ticket is 7.00 euros per night.
c) Ticket price for a bed in a sleeping carriage:

Section	Price in EUR
Tourist (three beds)	9.00
Double (two beds)	13.00
Single (one bed)	25.00

- d) The price for transporting a bicycle by the direction of travel is 1.99 euros regardless of the kilometer distance.

3. Fees

3.1. Smart Card Profile Pricing

The basis for the use of a certain benefit specified in Tariff 101 is a smart card with an associated profile.

Profile	Price in EUR
Pupil - profile/annual ticket	2.65
University student - profile/annual ticket	2.65
Pensioner or person over 65 years of age - profile/annual ticket	2.65
K-19 General Profile for 15-Day/30-Day/Yearly Subscription Cards	3.98
Youth up to 26 year old K-33J	3.98
Older than 60, younger than 65 K-33S - Years are worth more	6.64
University student K-33X - Student transcripts are worth more	6.64
Persons with disabilities under contracts with legal entities	6.64
Different offers	3.00

3.2. Ticket price by sales channels

Ticket prices may vary depending on sales channels (ticket office, *online*, ticket machines and train).

- a) regular prices of tickets purchased on the train are 10% higher compared to ticket prices at ticket offices
- b) regular prices of tickets purchased on the train are 10% higher compared to ticket prices at ticket offices.

3.3. Hand luggage on the train

For hand luggage weighing more than 30 kg and which the passenger cannot place above and/or below their seat, 3.58 euros per piece is charged regardless of the kilometer distance. The price for hand luggage is charged by the train attendant on the train.

3.4. Tariff allowance on the train

For staying on the train without the intention of travel, taking more seats, deliberately avoiding ticket control, not having a ticket without reporting to the conductor and disrupting the conductor's work, in the event that the passenger declares that they have

no money to pay the ticket or tariff allowance or refuses to pay, the passenger shall be charged a tariff allowance in the amount of EUR 66.36, excluding the ticket price.

A passenger who is required to pay the amount of EUR 66.36 in accordance with the previous paragraph shall be allowed to pay half of the tariff allowance, i.e. EUR 33.18 if the pay the tariff allowance within three (3) days from the date of issuance.

3.5. Damage collection price list

Special fees for illicit actions or damage done on the train shall be charged immediately and in full amount.

No.	Illicit actions	Price in EUR
